### **Foods Card Translations**

The August 2014 NYS WIC Acceptable Foods Card has been translated into seven (7) languages: Spanish, Chinese, Italian, Korean, Russian, French, and Haitian Creole. You can print copies from the NYS DOH website at: <http://www.health.ny.gov/publications/4099/>.

### **WIC Bread Combined with WIC Tortillas and Brown Rice**

Effective November 1, 2014, participants will begin receiving checks for “WIC Bread/Tortillas/Brown Rice”. This is a change from the current check that lists the specific item that a participant must purchase. This combined check will allow participants the option to purchase bread, tortillas or brown rice best suited to their preference and vendor availability. You will continue to see specific checks for “WIC Bread” for a period of several months. You must continue to maintain the Minimum Stock Requirement for bread.

### **ProSobee® Label Change**

Beginning in January, 2015, the label color for ProSobee® infant formula will change from blue to green, and the “for” statement will say “sensitive tummy” instead of “fussiness and “gas.” There will be no change in UPC codes or prices.
