Mandatory WIC Vendor Survey

The New York State WIC Program (NYS WIC) is in the initial stages of planning for a new electronic benefit transfer (EBT) system that USDA requires programs to implement no later than the year 2020. Electronic benefit WIC (e-WIC) is a system that will allow WIC participants the ability to purchase their authorized food items using a card, similar to a credit/debit card. Once e-WIC is implemented, purchases will be electronically authorized in real – time, reducing errors, improving program compliance and the shopping experience for participants and vendors alike.

You will soon receive a survey in the mail that will help us better understand our vendors' readiness for e-WIC. All NYS WIC authorized vendors are required to complete and submit the survey which should only take a few minutes to do. If you choose to mail, fax, or scan and email the completed survey, the addresses are provided below. Otherwise, you may use the link provided below to fill in and submit the survey online. **Your response is required no later than January 31, 2015.**

Your cooperation is greatly appreciated. The information you provide will be an important part of a successful e-WIC implementation.

THIS SURVEY IS MANDATORY
