Revised NYS WIC Vendor Handbook

The *NYS WIC Vendor Handbook*, dated May 2015 has been revised and is included in this mailing for your information. Please discard all out dated versions of the Handbook and refer **only** to the May 2015 version. An electronic version is available upon request through your Vendor Management Agency.

The NYS Vendor Handbook is a training and reference guide for vendors (food stores and pharmacies) that are authorized to accept WIC checks. The Handbook assists vendors with understanding WIC Program requirements to ensure compliance with policies, procedures, and federal and state regulations. The Handbook has been updated to reflect recent changes to NYS WIC Policy including new check cashing procedures and WIC Vendor Violations and Sanctions. A new Section on eWIC Readiness was also added.

If you have questions about this information, please contact your Vendor Management Agency.

Thank you for your participation in the NYS WIC Program.
