The New York State (NYS) WIC Vendor Handbook is a training and reference guide for all NYS authorized WIC vendors. The Vendor Handbook is designed to help ensure that NYSWIC Authorized Stores comply with all policies, procedures, and federal and state rules and regulations.

The NYSWIC Program has revised the Vendor Handbook. The updated handbook, dated June 2017, is available on the new NYS WIC Vendor website, under the resources section:

<https://nyswicvendors.com/vendor-training/>. Two new sections have been added to the handbook: Vendor Peer Groups and Not to Exceed Amounts. The vendor forms have been removed from the appendix of the handbook, the forms are now available on the NYS WIC Vendor website at <https://nyswicvendors.com/vendor-forms/>.

Vendors must review the updated Vendor Handbook and make it available to all relevant staff. Vendors may request a hard copy of the handbook by contacting the Vendor Management Agency (VMA).

Vendors must discard any old versions of the Vendor Handbook.

If you have questions about this information, please contact your VMA.
