זוהי הודעה חשובה. נא לתרגם אותה.

Effective immediately, the New York State (NYS) WIC Program will begin using email as the main form of communication for vendor related activities such as:

- Vendor monitoring reports
- Vendor Training notifications and certificates
- Requests for vendor information

Vendor Bulletins that contain any programmatic or contract changes will still be sent via regular paper mail.

All Authorized WIC vendors must maintain an active email address to ensure receipt of these types of communications. It is the vendor's responsibility to ensure their email settings do not block or otherwise disallow any NYS emails.

Vendors must contact their VMA immediately or submit a Vendor Email Update located at <https://nyswicvendors.com/vendor-forms/> with any changes to their email information.

If you have questions about this information, please contact your VMA.
