Enfamil EnfaCare Powder 12.8 oz is being reformulated and the name is changing to Enfamil NeuroPro EnfaCare. The name change will not impact the can size and price will remain the same. Please note the UPC change.

To ensure participant access to retailers' current stock, both product names will appear on NYS WIC checks as "EnfaCare/NeuroPro EnfaCare". Similarly, participants using eWIC will be able to buy either formula. The 8 oz 6pack ready to use Enfamil EnfaCare will not be affected by the above changes.
