On **May 29, 2019 from 4:00am to 7:00am**, Conduent, the contractor for eWIC, will be conducting system work that will potentially impact eWIC transactions. Vendors may not be able to process eWIC benefit balances or eWIC transactions during this time period. While the outage is only expected to be a short time, it may possibly take the full 3 hours. Please share this information with all staff working during these hours. Please contact your Vendor Management Agency if problems with eWIC transactions continue beyond the specified time period.
