The New York State (NYS) WIC Program has updated the NYS WIC Acceptable Foods for 2020; new products have been added in the following categories:

Breakfast Cereal (whole and non-grain)
Whole Grain Bread
Tortillas (whole wheat and corn)
Whole Wheat Pasta
Yogurt

Soy Beverage
Baby Food Meat
Baby Food Fruit and Vegetables
Tofu
Juice (single-strength and concentrate)

Please make sure your point of sale system is regularly downloading the current Approved Product List (APL). In addition, make sure these new food products are flagged as WIC eligible if necessary.

For the current list of approved foods and UPCs, visit the NYS WIC Vendors website:

<https://nyswicvendors.com/upc-resources/>.

Attached is the **New York State WIC Acceptable Foods Card Supplement 2020**, which lists the newly approved food items. The foods card supplement will be provided to WIC Local Agencies and participants and will also be available on the NYS WIC Vendors website: <https://nyswicvendors.com/foods/>. Updates to other participant resources (e.g., Foods Card and WIC2Go) will follow at a later date.

If you have any questions or concerns, please contact your Vendor Management Agency (VMA) or email wicfoods@health.ny.gov.

Thank you,

NYS WIC Program
