After October 29, 2021, the NYS WIC Program will no longer authorize redemption of Gerber Good Start Soy formulas and will remove the related UPCs from the NYS WIC Approved Product List (APL).

The following formulas will be **removed** from the APL after 10/29/2021:

- Gerber Good Start Soy Concentrated Formula 8.1 oz (050000338689)
- Gerber Good Start Soy Concentrated Formula 12.1 oz (050000034581)
- Gerber Good Start Soy Powdered Formula 12.9 oz (050000035304)
- Gerber Good Start Soy RTU Formula 4 pack of 8.45 oz (050000353552)

The New York State Department of Health WIC Program has two important reminders:

1. New food items are added to the APL daily. Please make sure your cash register system downloads nightly to ensure you have the most up-to-date Approved Products List
2. Beginning November 1, 2021, the Minimum Stock Requirements (MSR) for all standalone pharmacies and groceries with embedded pharmacies will be six (6) cans Similac Soy Isomil powder formula. The November 2021 MSR is attached.

If you have questions about this information, please contact your Vendor Management Agency.

Thank you,

NYS WIC Program
