זוהי הודעה חשובה. נא לתרגם אותה.

The NYS WIC Program recognizes the ongoing supply chain issues, made worse by the formula recall. We understand that it can be challenging to meet MSR's, and we appreciate your hard work, and continued support to make sure infants and children in New York State have foods and formula as prescribed

Please continue to work with your VMA if you have formula stocking issues as we would like to help. Ongoing communication helps VMAs track supply and distribution issues.

If you have questions, please [contact your VMA](#).

Thank you,

NYS WIC Program
