In response to the infant formula shortage, the NYS WIC Program will add additional can sizes for certain formulas, and additional brands.

Until further notice, participants will be allowed to select and purchase a combination of the following larger size powdered formulas depending on availability and the following store brand:

- Enfamil Infant
- Enfamil NeuroPro Infant
- Enfamil AR, powder can or box
- Enfamil Gentlease
- Walmart (Parents Choice)

The NYS WIC Program will continue to add additional formulas in the following weeks for participants to purchase as substitutes.

Every night, vendors must download the most current NYS APL. Stand beside terminals must always be plugged in and turned on to receive updates to the NYS APL.

The NYS WIC Approved Formulas document will be updated on the NYS WIC Vendors Website under Foods and Formula: <https://nyswicvendors.com/wp-content/uploads/2022/05/formula-shopping-guide.pdf> on or around **June 2nd**. This document has images of all NYS WIC approved formulas and WIC-eligible nutritional's. A Temporary Formula Shopping Guide will also be added as a new resource. Participants with access to WIC2GO will receive a notification indicating alternative options for certain formulas.

If you have questions, please contact your Vendor Management Agency.

Thank you,

NYS WIC Program
