Medical documentation is required for:

- Infants 6 months or older with greater amounts of contract formula in lieu of infant foods
- Infants and children with exempt formula
- Children with contract formula
- Children and women with infant foods
- Children and women with WIC-eligible nutritionals

Medical documentation includes an appropriate qualifying medical condition for the formula, quantity (ounces/day), length of use and food restrictions. The Medical Documentation Form is available at: <https://www.health.ny.gov/forms/doh-4456.pdf>

Premature formulas may be provided to premature infants up to their corrected age of 12 months.

All flavors are approved for NYS WIC eligible formula products.

The need for Ready-To-Use formula will be addressed by the WIC Program.
