NYS WIC PROGRAM VENDOR BULLETIN

Title: Discontinuation of Some Temporary Formulas

The United States Department of Agriculture (USDA) has granted NYS WIC an extension of the Medical Documentation for Food Package I & II waiver until May 31, 2023. They have also extended the Maximum Monthly Allowance for Food Package I & II waiver until June 30, 2023. This means that currently approved alternate formulas will remain on the APL through 5/31/23 and alternate can sizes of contract formula will remain on the APL through 6/30/23.

However, one alternative product has been removed. The table below lists the alternative formula that will be removed, on May 1, 2023, from the Approved Product List (APL).

UPC	Formula Description
070074677002	Similac Isomil Soy Powder 30.8oz EQUALS 2 CNT

Every night, vendors must download the most current NYS APL. Stand beside terminals must always be plugged in and turned on to receive updates to the NYS APL.

The updated NYS WIC Approved Formulas document is on the NYS WIC Vendors Website under Foods and Formula: <https://nyswicvendors.com/foods-formula/>. This document has images of all NYS WIC approved formulas and WIC-eligible nutritionals.

If you have any questions, please contact your Vendor Management Agency.

Thank you,

NYS WIC Program
