NYS WIC PROGRAM  
VENDOR BULLETIN

Title: Potential Federal Shutdown Impact for WIC

As of today, Congress has not enacted a Federal Budget and there is a potential of a Federal Government shutdown. New York State wants to assure authorized vendors that a Federal Government shutdown will not have an immediate impact on normal WIC operations in the state. Authorized WIC vendors must continue to accept WIC benefits and can expect to be reimbursed as normal.

NYS recognizes the difficulties due to all the uncertainty of the Federal budget. As we learn more, we will continue to share any new information.

If you have any questions, please contact your Vendor Management Agency.

Thank you,

NYS WIC Program
