Title: New York State (NYS) Regulation changes for WIC Infant Formula Suppliers

Dear WIC Vendors:

New York State WIC has new rules for infant formula suppliers starting **October 1, 2026**. These changes follow federal guidelines to make sure WIC families receive safe, high-quality formula.

What this means for you:

- NYS WIC has a new WIC Infant Formula Supplier List. Your supplier may not be on it.
- Beginning October 1, 2026, you must only buy infant formula from suppliers on the new list: https://nyswicvendors.com/vendor-training/.
- If your current supplier is not on the list, you must switch to an approved one. You can ask your current supplier to apply to get on the new WIC Infant Formula Supplier List.

Rules for Suppliers:

Suppliers must apply to Public Health Solutions to be added to the new list. To qualify:

- In-state suppliers must have a valid Food Warehouse License from the NYS Department of Agriculture and Markets.
- Out-of-state suppliers must have a similar license from their home state and be on that state's approved WIC supplier list.
- Re-application is required every three years to stay on the list.

For more details, read the official rules, Safety of Infant Formula Distributed under the NYS Women, Infants and Children (WIC) Program.

If you have any questions or need help finding a new supplier, please contact Public Health Solutions at **(646) 973-3942** or **vma@healthsolutions.org**.

Thank you,

NYS WIC Program
